Item 7.01 Regulation FD Disclosure.

On March 24, 2020, Antero Resources Corporation (the “Company”) announced that its previously disclosed 2020 drilling and completion capital budget is being reduced to \$1.0 billion from \$1.15 billion, which is not expected to result in a reduction to the Company’s previously disclosed 2020 production estimates.

Also, on March 24, 2020, the Company will participate in the Scotia Howard Weil Energy Conference. Presentation materials for the conference are available on the Company’s website at www.anteroresources.com.

The information furnished in this Item 7.01 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”), regardless of any general incorporation language in such filing, except as shall be expressly set forth by specific reference in such filing.

Forward-Looking Statements

This report includes “forward-looking statements.” Such forward-looking statements are subject to a number of risks and uncertainties, many of which are not under the Company’s control. All statements, except for statements of historical fact, made in this report regarding the Company’s guidance, are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. All forward-looking statements speak only as of the date of this report. Although the Company believes that the guidance reflected in or suggested by the forward-looking statements are reasonable, there is no assurance that this guidance will be achieved. Therefore, actual outcomes and results could materially differ from what is expressed, implied or forecast in such statements. Except as required by law, the Company expressly disclaims any obligation to and does not intend to publicly update or revise any forward-looking statements.

The Company cautions that these forward-looking statements are subject to all of the risks and uncertainties incident to the exploration for and development, production, gathering and sale of natural gas, NGLs and oil, most of which are difficult to predict and many of which are beyond the Company’s control. These risks include, but are not limited to, commodity price volatility, inflation, lack of availability of drilling and production equipment and services, environmental risks, drilling and other operating risks, regulatory changes, the uncertainty inherent in estimating natural gas and oil reserves and in projecting future rates of production, cash flow and access to capital, the timing of development expenditures, world health events and the other risks described under the heading “Item 1A. Risk Factors” in the Company’s Annual Report on Form 10-K for the year ended December 31, 2019.
