Item 8.01 Other Events.

On January 11, 2021, Antero Resources Corporation (the “Company”) issued a press release, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference, announcing that the Company intends to commence a private offering of \$500 million aggregate principal amount of senior notes due 2029 (the “Notes”). The Company intends to use a portion of the net proceeds from the offering to redeem all \$310.5 million aggregate principal amount of its 5.125% senior notes due 2022 (the “2022 Notes”) not previously called for redemption at a redemption price of par plus accrued and unpaid interest, and to use the remaining net proceeds to repay borrowings under its credit facility. The redemption of all 2022 Notes not previously called for redemption is expected to be conditioned on the completion of the offering of the Notes. The foregoing does not constitute a notice of redemption with respect to any of the 2022 Notes.

This Current Report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy any securities and shall not constitute an offer to sell or a solicitation of an offer to buy, or a sale of, any securities in any state or jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction. The securities to be offered have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state or jurisdiction securities laws, and unless so registered, the securities may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state or jurisdiction securities laws.

Antero Resources Announces Launch of \$500 Million Offering of Senior Notes

Denver, Colorado, January 11, 2021—**Antero Resources Corporation (NYSE: AR)** (“Antero Resources”) announced today that, subject to market conditions, it intends to offer \$500 million in aggregate principal amount of senior unsecured notes due 2029 (the “Notes”) in a private placement to eligible purchasers.

Antero Resources intends to use a portion of the net proceeds from the offering to fund the redemption of all \$310.5 million aggregate principal amount of its 5.125% senior notes due 2022 (the “2022 Notes”) not previously called for redemption at par plus accrued interest and to use the remaining net proceeds to repay borrowings under its credit facility. The redemption of all 2022 Notes not previously called for redemption is expected to be conditioned on the completion of the offering of the Notes. The offering of the Notes is not contingent upon the completion of such redemption.

The Notes to be offered have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws, and unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Notes will be offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act and outside the United States pursuant to Regulation S under the Securities Act.

This press release is neither an offer to sell nor a solicitation of an offer to buy the Notes or any other securities and shall not constitute an offer to sell or a solicitation of an offer to buy, or a sale of, the Notes or any other securities in any jurisdiction in which such offer, solicitation or sale is unlawful. This press release shall not constitute a notice of redemption of the 2022 Notes.

Antero Resources is an independent natural gas and natural gas liquids company engaged in the acquisition, development and production of unconventional properties located in the Appalachian Basin in West Virginia and Ohio. In conjunction with its affiliate, Antero Midstream (NYSE: AM), Antero is one of the most integrated natural gas producers in the U.S.

This release includes "forward-looking statements." Such forward-looking statements are subject to a number of risks and uncertainties, many of which are not under Antero Resources' control. All statements, except for statements of historical fact, made in this release regarding activities, events or developments Antero Resources expects, believes or anticipates will or may occur in the future, such as statements regarding the proposed offering and the intended use of proceeds, including to fund the redemption of all 2022 Notes not previously called for redemption, are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934. All forward-looking statements speak only as of the date of this release. Although Antero Resources believes that the plans, intentions and expectations reflected in or suggested by the forward-looking statements are reasonable, there is no assurance that these plans, intentions or expectations will be achieved. Therefore, actual outcomes and results could materially differ from what is expressed, implied or forecast in such statements. Except as required by law, Antero Resources expressly disclaims any obligation to and does not intend to publicly update or revise any forward-looking statements.

Antero Resources cautions you that these forward-looking statements are subject to all of the risks and uncertainties, incident to the exploration for and development, production, gathering and sale of natural gas, NGLs and oil most of which are difficult to predict and many of which are beyond the Antero Resources' control. These risks include, but are not limited to, commodity price volatility, inflation, lack of availability of drilling and production equipment and services, environmental risks, drilling and other operating risks, regulatory changes, the uncertainty inherent in estimating natural gas and oil reserves and in projecting future rates of production, cash flows and access to capital, the timing of development expenditures, impacts of world health events, including the COVID-19 pandemic, potential shut-ins of production due to lack of downstream demand or storage capacity, and the other risks described under the heading "Item 1A. Risk Factors" in Antero Resources' Annual Report on Form 10-K for the year ended December 31, 2019 and in its subsequently filed Quarterly Reports on Form 10-Q.
